

RARE

OUTLINE

IT OUTLINE è la nuova soluzione doccia di RARE che evolve il concetto di cabina in elemento d'arredo e suddivisione funzionale. Il cuore del progetto è il profilo in alluminio: sottile e rigoroso, incornicia una superficie continua in cristallo protagonista di trasparenze e profondità materica, il tutto in un'estetica contemporanea sostenibile. Grazie alla progettazione su misura e ad un'ampia gamma di finiture, OUTLINE è perfetto in ogni contesto architettonico — dalle soluzioni a tutta altezza a quelle in libera installazione — garantendo un preciso equilibrio compositivo.

EN — OUTLINE is RARE's new shower solution, redefining the enclosure as both a furnishing element and a functional spatial partition. At its core, a slim and rigorous aluminium profile frames a continuous glass surface, expressing a contemporary aesthetic built on transparency and material depth. Thanks to its bespoke approach and wide range of finishes, OUTLINE integrates seamlessly into any architectural setting, ensuring visual continuity and complete design freedom.

IT

La libera combinazione di elementi fissi e porte a battente con profilo OUTLINE permette di realizzare qualsiasi suddivisione degli spazi bagno e doccia, offrendo massima libertà compositiva e progettuale.

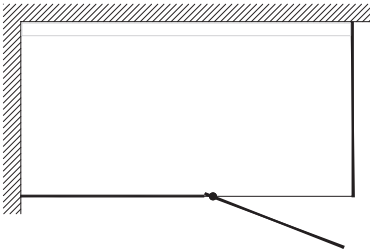

EN

— The flexible combination of fixed panels and hinged doors featuring the OUTLINE profile enables the creation of bespoke bathroom and shower layouts, providing architects and designers with complete compositional freedom and maximum design flexibility.

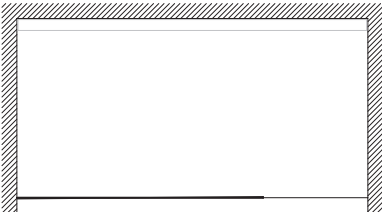

Due porte a battente apertura int./est., abbinate a pareti fisse, definiscono un ambiente doccia composto da area doccia e zona sanitari. Cristallo millerighe satinato in abbinamento ad un elegante profilo nero opaco. Piatto doccia Ad hoc e pareti interne alla doccia in Ceppo di Gré. — EN. Two hinged doors with inward/outward opening, combined with fixed glass panels, define a shower environment composed of a shower area and a sanitary zone. Fluted satin glass is paired with elegant matte black profiles. The Ad hoc shower tray and the internal shower walls are finished in Ceppo di Gré porcelain stoneware.

Ambiente doccia ad angolo in libera installazione H. 240 cm. Cristallo trasparente con profilo in finitura rame satinato. Piatto doccia Ad hoc e pareti interne rivestite con piastrella 10x10 cm.— EN. Freestanding corner shower enclosure, height 240 cm. Clear glass with satin copper-finish profiles. The Ad hoc shower tray and internal walls are clad with 10x10 cm tiles, creating a seamless and coordinated architectural composition.

Img P12 / Installazione Libera – Custom installation

Un vetro fisso nella dimensione 160X270 cm con telaio in finitura rame satinato disegna per leggerezza e precisione la'mbiente doccia. Piatto doccia Ad hoc rivestito in pietra, a parete un elegante pietra con lavorazione millerighe. — EN. A 160 × 270 cm fixed glass panel, framed by a satin copper-finish profile, shapes the shower environment with lightness and precision. The Ad hoc shower tray is clad in natural stone, complemented by an elegant fluted stone wall that emphasizes texture, depth and material continuity.

Img P17 / Fisso – Fixed

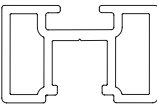

Ambiente doccia in nicchia con doppia porta apertura int./est. H. 280 cm. Cristallo trasparente con profilo in finitura canna di fucile. Piatto doccia Ad hoc e pareti rivestite in pietra. — EN. Niche shower enclosure with double inward/outward opening hinged doors. Height: 280 cm. Clear glass with gunmetal-finish profiles. Ad hoc shower tray and walls clad in natural stone.
